Erotic E-book

When Noel Ford's secretary asks him to participate in her yearly letters from Santa program, he is rewarded with more than the deep satisfaction of doing charitable work. A bulky envelope from a child whose wish is a date for his mother turns into the best present Santa can give.

Single mom Maura Kelly isn't sure what to do with the strange man who appears on her doorstep, but how can she deny her son's one Christmas wish? She'll give in just this once, knowing none of it can last.

A limo ride, skating and shopping makes the day the best Maura can remember. When they go to his place to change for dinner, mistletoe and a kiss lead to a sexual encounter neither will forget. Until later, when Maura overhears Noel's ex-lover talking about him, a reminder that she and Noel are from different worlds. Can their worlds meld despite their differences?

Cassidy Kent is an awesome storyteller! Her characterization skills and outstanding voice draw us into her world, where we feel like we know her characters personally. Words and pages fall away as you delve into this story. *Santa's Helper* makes for a hot Christmas read in July!
